#### **This is what Parents & Students from ANKUR Chess classes have to say:**

- *“My son has excellent concentration due to chess. Ankur Chess has developed more than just his Chess skills”.*
- *“A secure and friendly environment for young minds to develop”.*
- *“I am so pleased with my daughter's progress in her game. Her confidence has grown both in playing chess and life in general. The fact she enjoys playing makes her personal development even more obvious to see”.*
- *“I love Chess and my favourite piece is the knight because he can jump over other pieces”.*
  - *“C is for Chess, Courtesy and Concentration”!*
    - *“Chess is the best-4-ever”!*
