?? Space for Junior list ??

we used to have to put all juniors names and DoB down . . . ?

When looking at such a sheet during a match, I and my team players have always found it easiest when the score is 'ALL' in the centre

You may notice that I have also used a 'narrow' font in an attempt to get the whole name in size 14 in the limited space

One imagines that David Smith may be the most important official with regard to any changes

May one presume that this spreadsheet is easier to upload to the websites . . .
