#### NOTES TO THE ACCOUNTS

1. Principal accounting policies

The British Chess Federation is an unincorporated body and the accounts are prepared in accordance with current recommended accounting practices.

The financial statements have been prepared under the historical cost convention.

2. Permanent Invested Fund.

The investments in the Permanent Invested Fund are held by trustees under a deed dated 1929 which is perpetuated by supplementary deeds every 21 years (next renewal 2013) whereby the income is paid to the Federation and the trustees *may* make distributions of capital in exceptional circumstances of urgent need provided the money is for the benefit of "the objects" of the Federation, but only on the authority of a resolution of Council.

3. John Robinson

A separate fund was established out of the legacy from the late John Robinson that was paid to the BCF. The trustees manage the two funds in order to be able to provide £5,000 funding towards the British Chess Championships each year.
