## Ungraded Players in the Major and Minor

These rules apply to players without a standard play grade of type A to E.

A FIDE rating will be converted to an ECF grade. Players with a Rapidplay grade only must use this. **FIDE rated players may not play in the Minor unless they have an ECF standard play grade. Please contact the Organiser if there is any doubt regarding the section in which you wish to play.**

**The following rules apply to all other players.**

Other ungraded players must include details of events they have played in during the period May to December 2012 to help the Congress Director ensure that they are playing in the correct section.

The Congress Director will use all available information to place players in the correct section. If information becomes available after an entry is accepted then a player may be transferred at any time.

An ungraded winner in the Minor is limited to a prize of 60% of the advertised first prize. Any additional funds will be allocated to the other prize winners.

Players with non-English national ratings should email the Congress Director, [2012@ljcc.co.uk](mailto:2012@ljcc.co.uk) before entry to discuss which event they should enter.

### ECF Membership.

ECF members at **Bronze** level pay the higher entry fee and this upgrades their membership to **Silver**. However there may be a short time delay in the upgrade and Bronze members wishing to play in the **6th Northwick Park Congress** and the **London Christmas Congress** are advised to upgrade at [www.englishchess.org.uk](http://www.englishchess.org.uk) before sending their entries to LJCC
