## What the weekend involves

**THERE WILL BE COACHING AND A TOURNAMENT ON BOTH DAYS!**

There have been so many requests to bring back the Chevannes Chess Academy “Chess Weekenders” that we finally are doing so! Each day consists of both coaching and a tournament. We feel that coaching is really key to understanding essential techniques and getting a really good foundation of knowledge, but playing competitive chess will reinforce all the ideas that you have been taught. Therefore, we combine the two into a very exciting day.

The Chevannes Chess Academy caters for various levels of chess ability, with a course that ranges from Complete Beginner to Pro. Children of all abilities are welcome to come to this weekender and will be put into appropriate groups.

If you are unsure as to which group you should be in, then please don't hesitate to contact us with any questions.

## Timetable

10.00-11.00 – Coaching session 1

11.15-12.15 – Coaching session 2

12.15-13.00 – LUNCH

13.00-16.00 – Tournament

The tournament will consist of five rounds with fifteen minutes each on the clock each. Everyone will use clocks and games will be ECF graded.

There will be certificates for everyone and trophies and medals for winners of each course level.
