CHESS IN SCHOOLS AND COMMUNITIES

www.chessinschools.co.uk

Chess in Schools and Communities was set up in 2010 after the 1st London Chess Classic with the aim to introduce as many children to chess as possible. CSC

mainly targets inner cities and supports primary schools by offering free chess equipment, coaching and materials.

CSC is currently operating in 13 boroughs and teaching over 3000 children. The objectives are:

- To encourage teaching and playing chess in state schools and inner city communities.
- To organise and promote world class chess events as a catalyst for mass participation.
- To raise the profile of chess and highlight its educational and social benefits.

If you want to support us in our aim to introduce chess into 1000 primary schools in England and Wales, then please donate at <http://chessinschools.co.uk/donate.htm> or fill in a donation amount on this entry form.

For more information or to find out how CSC can help your school, please contact Sabrina Chevannes at chessinschools@gmail.com or call 020 7935 3445 or 07808 795 838.
