DELANCEY UK SCHOOLS

CHESS CHALLENGE

November 2016

Enter your School or Club into the Delancey UK Schools Chess Challenge 2017, where children take part in competition with some 50,000 challengers.

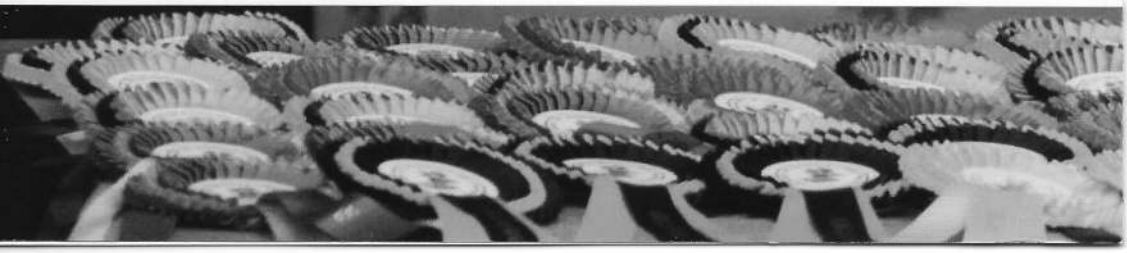

Receive your Delancey UK Schools Chess Challenge 2017 kit – early January 2017.

Spring Term 2017 – At Your School or Club

The competition begins. Organise a weekly tournament played during either a breakfast club, lunch break or after school club.

The rules of the tournament have been kept simple so that teachers or helpers with only a basic knowledge of chess can easily run it.

Your Delancey UK Schools Chess Challenge kit includes for all players badges, certificates and mascots. There are additional prizes and small trophies for the winners.

Summer Term – Megafinals, Gigafinals, Terafinals

The best players, from your School or Club will progress to the prestigious Megafinals regional tournament. The top boy and girl in each of 12 age groups qualify along with any player who meets a 'qualifying' standard.

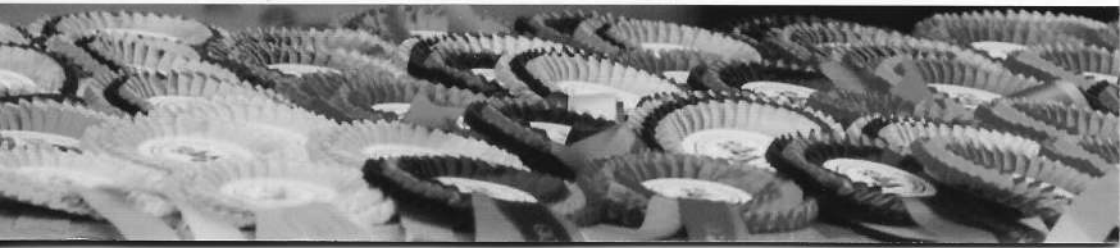

Megafinals are organised on a County or regional basis. The best players from the Megafinals progress to the Northern or Southern Gigafinals.

Finally, the winners of the Gigafinals progress to the National TeraFinal - the ultimate challenge.

Tournament Costs

The entry fee for the Delancey UK Schools Chess Challenge has been kept at the same level - £40. This provides enough prizes for up to 30 players. Extra Player Kits are available for £15 per additional 15 players.

Entry to the Mega, Giga and Terafinals has maintained at last years level of £15.

New Team

Sarah Hegarty, the 1996 Challenge winner, and 2013 British Ladies Chess Champion - has taken over the Challenge, supported once again by the generosity of Delancey

You can see Sarah on Blue Peter, with world champion Gary Kasparov, following her 1996 Challenge win.
