Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and accounting estimates that are reasonable and prudent;
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records which are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure of information to auditors

So far as the directors are aware, there is no relevant audit information (as defined by section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Small company regime

This report has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

Auditors

The auditors, Goatcher Chandler Audit Limited, were reappointed as auditors at the Annual General Meeting on 11 October 2014.

ON BEHALF OF THE BOARD

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE ENGLISH CHESS FEDERATION

We have audited the financial statements of the English Chess Federation for the year ended 31 August 2014 on pages 6 to 12. The financial reporting framework that has been applied in their preparation is applicable law, and of the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to smaller entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and auditors

As explained more fully in the Statement of Directors Responsibilities set out on page 3, the company's directors are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit the financial statements in accordance with the relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board (APB's) Ethic Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all of the financial and non-financial information in the Directors Report to identify material inconsistencies with the audited financial statements. If we become of any apparent misstatements or inconsistencies we consider the implications for our report.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE ENGLISH CHESS FEDERATION CONTINUED

Opinion on financial statements

In our opinion:-

- the financial statements give a true and fair view of the state of the company's affairs as at 31st August 2014, and of its surplus for the period then ended;
- the financial statements have been prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to smaller entities; and
- the financial statements have been properly prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- Adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- The financial statements are not in agreement with the accounting records or returns; or
- Certain disclosures of directors remuneration specified by law are not made;
 or
- We have not received all of the information and explanations we require for our audit; or
- The directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the Directors Report.
