

Mike Gunn: candidate for Chairman of Council

CV

- 2000-2017 President Surrey County Chess Association
- 2010-2013 Non Executive Chairman ECF
- I play 60-80 games of chess a year in leagues, congresses, county chess and my club (Guildford)
- I am also an ECF Arbiter, grader and tournament organiser (but I prefer to play)
- Outside of chess I am an Emeritus Professor of Geotechnical Engineering and do some part-time teaching and research.

Statement

Council fulfills an important function in holding the ECF Board to account. For this to be done efficiently Council meetings must get through their business while giving everyone their chance to have their say. I feel I had some moderate success in doing during the three years when I was Non Executive Chairman and (if elected) would hope to do so again.
