

## Foreword

Dear Chess Friends

Welcome to the first Yearbook for English Chess Federation.

I am pleased to report that the change of name from British to English went very well indeed and I thank you for the privilege of being elected the first President.

I would like to pay tribute to the many people who worked so hard and free of charge to ECF in order to achieve an orderly transition.

The excitement of a new era was over shadowed by the double tragedy of Losing first Steve Boniface in October 2005 and then John Robinson February 2006.

Both were Senior Arbiters and covered a wide range of events in the chess calendar. At the time of writing we are still reeling from the shock and trying to fill the roles that they would have fulfilled.

Due to FIDE commitments I was unable to attend Steve's funeral but I was able to attend St Peter's Church in Stanion for a funeral service for John, which was a celebration for his life. After the cremation service the family invited his chess friends to join family and church friends for a celebration lunch. I know we will continue to celebrate the lives of our two loyal servants and further announcements will be made to this effect.

The change of name caused an increase in the office workload and our thanks go to Cynthia, Sophie, Gemma and Tina for their efforts. In July 2005 Dawn decided to leave us for pastures green and opened a new business venture with her husband. They took over a golf clubhouse just outside of Hastings and have extended an invitation to me to call for tee on my next visit to the office. I am sure you join me in wishing them good luck. We then welcomed Tina to the team and she is getting to know our operating systems and the characters behind them.

I am delighted to announce that we have found a magnificent home for the Library.

I have signed a contract with University Centre Hastings and the terms and conditions will be published in the near future. Particular thanks to Cynthia for finding the first contact and carrying out negotiations.

**Gerry Walsh**  
**ECF President**

2005/2006 has been a hectic year for the ECF Office at Battle. We are always busy, but the change of name to English Chess Federation, change of status to a Company Limited by Guarantee and the changes to the membership structure have made the work load enormous and I thank our Members for their understanding.

When Dawn Chalcraft left the office for pastures new, I knew it would be difficult to replace her and I interviewed many candidates before Tina Weddell came along. Once again we are a tightly knit dedicated unit. There were many sad loses of chess friends in 2005, but for me personally the death of John Robinson was the saddest. John truly was a prince among men.

The most exciting project to come to fruition this year is the housing of the National Library as reported in the President's Foreword.

I thank all of those members of the public who have sent in messages of appreciation for our efforts, it makes such a difference and of course my thanks to the girls.

## CHIEF EXECUTIVE'S REPORT

Welcome to the first yearbook of the English Chess Federation (ECF).

In my report for the 2005 BCF yearbook I expressed the view that the BCF should change its structure to become a Company Limited by Guarantee. It is pleasing to report that decisions were taken during last year not only to become a Company Limited by Guarantee but also to change the name of the Organisation to English Chess Federation (ECF). The first Annual General Meeting of the ECF was held on 22nd October 2005. This was achieved only through the efforts of a number of people who worked so hard on the mountain of administrative tasks. I am grateful to them all, particularly the office staff and the members of the sub-committee created to oversee this change.

The year also saw a change to the Board of the company. The ECF Board consists of nine Directors, two of whom are Non-Executive Directors. A number of Managerial posts, each reporting to a particular Director, were also created in order to ensure that activities which had previously been the direct responsibility of Board Directors would be continued.

No doubt it will take a little time for all these changes to be fully assimilated but the changes should equip the organisation to move forward into the future with confidence.

Another major change during the year has been the introduction of the membership scheme operated by the Northern Counties Chess Union. There has been a considerable response to this scheme and during the coming year the ECF will be reviewing it and taking a decision whether to extend it further.

One of the problems facing organisations such as the ECF is the lack of sponsorship – the impact of the 2012 Olympics could make it more difficult for non-Olympic sports to obtain sponsorship. This could have a significant impact on our future activities.

During the year it has been a pleasure to attend various activities such as the County Championship. There is no doubt that there are many many people who contribute to chess in a quiet efficient way – organising activities at a local club level, league level, county level, union level, national and international levels. To them all I give my grateful thanks.

## DIRECTORS' REPORTS

### FINANCE

2004/5 was an excellent year. The surplus for the year was nearly £14,000 due to a surplus of nearly £8,000 on the Scarborough Congress and sponsorship of the Olympiad team. In addition it was possible to make a provision of £6,000 for players fees for the 2005 European Team championships and there was a further installment of £14,000 from the Banwell Estate to the legacy fund. The overall effect was to all but double the reserves to nearly £60,000 and restore them to the minimum safety level.

2005/06 is looking like a more normal year. Council voted for a 1p increase in game fee to 44p to put the grading list on the website. The Isle of Man congress broke even. The sponsorship of the International team was not repeated, and this remains a long term concern, along with the looming end of support for junior chess provided by the BCF Youth Trust.

My thanks as always to the work of the office in keeping the accounts. I would particularly like to record the thanks and appreciation of the Federation to Geoff Steele, who retired as auditor with the change to ECF after a staggering 23 years in the job. He will be a very hard act to follow. However retirement is perhaps not quite the right word, since he has now taken on the job of Company Secretary to ECF.

**Robert Richmond**  
**Finance Director**

### BCF ACCOUNTS FOR THE YEAR ENDED 30<sup>th</sup> APRIL 2005

#### **1. PRINCIPAL ACCOUNTING POLICIES**

The British Chess Federation is an unincorporated body and the accounts are prepared in accordance with current recommended accounting practices.

The financial statements have been prepared under the historical cost convention.

Tangible fixed assets are shown at cost less depreciation which is charged on a straight line basis to write off the costs over their estimated useful lives at the following rates :-

Fittings in leased premises	5 years (the period of the lease)
Telephone system	10 years
Computer network system	7 years
Other office equipment	5 years
Other computer equipment	4 years
Chess equipment	10 years

Events finishing up to the end of July 2005 have been included in the accounts. These events are the Counties, National Club and Schools Championships. The only summer event not included is the BCF Congress.

As in previous years, further provisions have been made to fund events held at greater intervals than one year.

Direct Members' Subscriptions have been credited when received and a provision has been made in the accounts for subscriptions paid in advance for future years and for the cost of services to be supplied after the Balance Sheet date until the subscriptions expire.

## **2. MANAGEMENT BOARD'S RESPONSIBILITIES STATEMENT.**

We are responsible for overseeing the keeping of proper accounting records, preparing accounts for each financial year which show a true and fair view of the state of affairs of the Federation at the year end and the surplus or deficit for the period and for safeguarding the assets of the Federation and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing the financial statements we have:

- selected suitable accounting policies and then applied them on a consistent basis, making judgements and estimates that are prudent and reasonable.
- stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepared the financial statements on a going concern basis.

## **3. APPROVAL OF THE ACCOUNTS ON BEHALF OF THE MANAGEMENT BOARD**

G. Walsh	President
R. Richmond	Finance Director

### **AUDITOR'S REPORT TO THE COUNCIL OF THE BRITISH CHESS FEDERATION**

I have audited the financial statements on pages three to fourteen which have been prepared under the historical cost convention and the accounting policies set out on page one.

#### **RESPECTIVE RESPONSIBILITIES OF MANAGEMENT BOARD AND AUDITOR**

As described on page one, the Management Board is responsible for the preparation of financial statements. It is my responsibility to form an independent opinion, based on my audit of those statements and to report my opinion to you.

#### **BASIS OF OPINION**

I conducted my audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Management Board in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Federation's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

#### **OPINION**

In my opinion the financial statements give a true and fair view of the state of the Federation's affairs as at 30<sup>th</sup> April 2005 and of its surplus for the year then ended.

## **STRATEGIC PLANNING, INTERNATIONAL RATING & GRADING**

### **STRATEGIC PLANNING**

The ECF produces annually the following documents:

- Long-term Strategic Plan
- 1 year Business Plan
- Achievement Report against the Previous year's Business Plan

Copies of these documents can be found on the ECF website at [www.englishchess.org.uk](http://www.englishchess.org.uk).

My thanks to Neville Belinfante for compiling the documents, to my fellow directors for providing the necessary inputs and to the Office staff for their support.

### **INTERNATIONAL RATING**

The FIDE membership requirement has not been applied properly by the BCF to date. A start was made this year with the 4NCL where non-members did not get their games rated, although the games counted for their opponents. A different approach will be required during 2006 because of changes to the submission format required by FIDE. (That means that games must be rated either for both players or for neither player.) Consequently, the following changes have been introduced:

**For leagues**, the existing rating fee will be replaced by a team fee that will cover both the rating fee and the membership requirement. Team members will still be required to be individual members if they play in congresses. Note: the 4NCL intend to make individual membership mandatory for the 06/07 season.

**For congresses**, congresses will only be rated if they enforce an individual membership. This policy will become effective from 1<sup>st</sup> March 2006.

### **GRADING**

#### **1. ECF Grading goes on line**

The Grading List appeared on-line for the first time on 22nd July, and was updated on 23<sup>rd</sup> August. The revised version is the official version for ECF competitions throughout the season. The printed book, based on exactly the same data, went to the printer at the same time and was available for distribution in the first week of September. In the 60 days to 19<sup>th</sup> September, the statistics for visits to the online grading web site were:-

- |                          |   |
|--------------------------|---|
| ➤ Player lookups         | 75,572 (every player in the land 7 times) |
| ➤ Grading list downloads | 1135                                      |

There are differences between the printed and the online lists. The printed list gives Juniors' ages and the website list doesn't. (It is intended to seek permission from the Information Commission to rectify this.) The printed list includes a small number of people who have declined to appear in the online list. The online list is more versatile. It permits searches by player or club, and gives information, which there isn't room for in the printed book.

#### **2. Review of the Grading Year**

Of the principal Grading activities scheduled to be performed during the last year:

- a) The printouts for Direct Members were produced on time in July.
- b) The 2005 Grading List went on sale, in late August. At the same time the online Grading list was updated.
- c) The 2005 Grading CD-ROM should be sent to Graders at the beginning of October.

#### **3. Negative Grades**

It is possible, among inexperienced players, for calculated grades to be negative. There has previously been debate about what to do about negative Grades. Previously a Grade of "1" could indicate a negative Grading performance lower than 1 and the negative Grading Performance would be carried forward to the next season. This season, Grades lower than 1 are shown in the list as 0. These Grades, and the games they are based on, will not be used in the next season's calculations. A player graded zero or lower will start the new season with a clean sheet.

#### **4. Amount of Chess Played**

The table overleaf shows data on the level of chess activity nationally based on the last five years' Grading Master Lists. The big drop in rapid play seems to be due to the effect of Junior Game Fee. Standard play chess activity remains stable.

No of Results	Standard Play	Rapid Play
2000/2001 season	203, 686	71, 128

## 5. Concluding Points

Firstly, I would especially like to thank Carl Hibbard who developed the software for the Online Grading database. I would like to thank the Office at Battle for their support, the ECF Officers Richard Haddrell, Alan Ruffle and Ann Walkeden for all of their hard work throughout the year. I would especially also like to acknowledge the voluntary work of the other members of the Central Grading Team: Howard Grist, Neville Belinfante and Dave Thomas and finally the voluntary efforts of the 100 or so local Graders without whom there would be no Grading Lists.

### WOMEN'S CHESS

Women's chess has been going from strength to strength in 2005.

The National Girls' Team Championships were held in May 2005 and attracted an unprecedented 235 competitors from all across the UK. This festival of chess was held in the historic grounds of Claremont Fan Court School. The venue boasted picnic facilities, tours of the mansion and grounds and live video matches. The 2006 event will be held on June 10<sup>th</sup>.

The 2<sup>nd</sup> All England Girls' National Finals took place in Nottingham in July 2005, for girls who had qualified at their All England regional events. Competition between the 108 competitors was extremely fierce and the eventual section winners were:

**Under 7:** Rowan White, Natalie Cass

**Under 8:** Megan Cleeves

**Under 9:** Maria Wang

**Under 10:** Megan Owens

**Under 11:** Fay Birch

**Under 12:** Fay Birch, Anjali Lakhani

**Under 14:** Lateefah Messam-Sparks,  
Thilagini Anandajeyarajah

**Under 18:** Chantal Siresina

The introduction of events which combined coaching and tournament play proved to be very popular, with six events being held all around the country. Please do not hesitate to contact me through the website for women and girls' chess – chessuk.com, if you would like to host one of these important new events.

## **HOME CHESS 2004-2005**

### **County Championship**

The County Championships returned to Ratcliffe College, Syston, the first venue used by the retiring Controller, to a large, well appointed Sports Hall, with room to walk between all the boards.

Lancashire and Manchester contested the Open Championship, with the Mancunians retaining their trophy by 11-5, with Harry Lamb winning the Best Game Prize for his win on board 16. The Minor Counties Championship saw Derbyshire make a rare Finals appearance, but lose 9-7 to defending Champions Norfolk. The U175 were without their defending Championships, but Devon were worthy winners on the day against another Lancashire team by 9½ to 6½.

The U150s saw the closest finish of the day, with the retiring controller watching two adjacent boards on which a player had claimed a draw under Article 10.2 Both games were drawn, leaving a drawn match with Notts the winners over Norfolk on board count.

Lancashire were successful in the U125s beating Middlesex 11-5. The U100s saw Essex win against another county who do not often grace the finals, Staffordshire.

The Bursar of the College, Mr Andrew Nutter, presented the prizes, with the assistance of Roy Heppinstall, the BCF CEO. The Director of Home Chess made an impassioned plea for someone to take over the running of this event. Thanks were expressed to the controlling team, Messrs Shaw, Elwin and Cresswell and to the Browns of Sharnford who assisted with the compiling of results.

### **National Club Championship**

Again the National Club Finals split between two venues. The Minor Championships was played at Queniborough Village Hall, where Lancaster beat Hammersmith with the final game going to the last few seconds. The rest of the Finals were played at the Golden Lane Community Centre courtesy of London Chess League and Brian Smith.

The Open was the expected triumph for Wood Green. The Minor player between Lancaster and Hammersmith was so close that discussions were held as to what would happen if all 5 boards were drawn. Eventually as with the Major Plate Championship with Hounslow and South Norwood an unfortunate blunder decided the match. The Minor Plate saw Newark win comfortably, a win helped by their opponents conceding a board.

The players were somewhat amused and honoured by a fly pass of vintage aeroplanes. The event was well controlled by David Sedgwick and the Director of Home Chess thanked everyone for their support over the years.

### **Counties & District Correspondence**

This has been ably controlled by John Philpott, in addition to his many other duties for the ECF.

Congratulations to the 2004/5 winners who were:

Ward Higgs - Yorkshire

Sinclair - Essex 2

Minor Counties - Nottinghamshire

Brown Pond - Leicestershire

Final results as per link [www.johnphilpott.freemove.co.uk/20045%20cross%20tables.htm](http://www.johnphilpott.freemove.co.uk/20045%20cross%20tables.htm)

I would like to thank all those who have helped me during my most enjoyable term of office, especially George Thirlaway for his invaluable advice, my fellow directors, the controllers of the various events for their support, Julie Johnson for putting up with phone calls at all hours, Cynthia, and the ladies of the office for putting me right on so many things and finally and most importantly, the chess players who came to the events and by being there ensured that the work we had put in was worthwhile. I hand over to Chris Majer in the knowledge that he will enjoy your full support and backing.

## INTERNATIONAL DIRECTOR'S REPORT 2004 - 2006

My second year in office began while I was in Majorca with the England squads. Although the result could have been better I was nevertheless very relieved to bring in, with the considerable help of Allan Beardsworth financial support for the team's participation which in turn played a large part in helping the Federation return a balanced budget. It certainly made our treasurer Robert Richmond very happy. The year ended with the England team in Gothenburg for the Euro Team Championship. It seems only appropriate to begin with their performances.

### Team England

October 2004 saw the England Open and Women's Team participate in the 36th Chess Olympiad, (14-31 Oct) in the province of Calvia, Majorca, Spain. As a result of excellent work done through the year by Allan Beardsworth, a sponsor was found in Deloitte, the internationally renowned financial services provider. A big thank you must also be expressed to the BCF who provided some money for players fees as well as to a private donor who put forward £2,500. As a result of their support we were able to put out our strongest available team. Captaining the teams was Allan Beardsworth for the Open and John Emms for the Women.

A major setback earlier in the year had been Nigel Short's decision to sign a contract to play in a tournament in Holland that clashed with the first half of the Olympiad. After careful consideration the selectors decided to include him in the team even though he would only be available for the last six rounds. Other countries that were faced with the same predicament made the same decision. In retrospect it was not the right decision. The final result was disappointing including Mr Short's form on arrival from Holland. The team scored 31 points and finished =30th; our poorest placing in years. However another point and a half would have put us in the top 10. Also disappointing was that we hardly played any of the top 10 seeds. Michael Adams was excellent, leading from the front on top board. He scored a very good 10/13, unbeaten and all of this in spite of contracting a bug that laid him low around rounds 9-11.

Others to play well was Jon Speelman with 6.5/11 and Peter Wells on debut with 5/9. Luke McShane played many long games which included a lot of saved lost games. However he would be disappointed with his return of 5/11. Mark Hebden scored 3/8. Allan Beardsworth worked tirelessly as team captain and also managed to take some excellent photographs.

	P	W	D	L	%age	Rat Per
M Adams	13	7	6	0	76.9	2773
N Short	4	1	1	2	37.5	2412
L McShane	11	2	6	3	45.45	2492
J Speelman	11	3	7	1	59	2570
M Hebden	8	1	4	3	37.5	2365
P Wells	9	2	6	1	55.5	2504

The Women's team achieved their best ever result in finishing =6th (or 8th on tie break) on 25 points. Harriet Hunt achieved a stunning 2558 performance and just missed a board prize with her score of 9.5/13. She was ably supported by Jovanka Houska with 8/13. Heather Richards played a lot of fighting chess which resulted in the odd tragic loss with Mel Buckley not letting anyone down on her outings. The final total of 25 points was well deserved.

H Hunt	13	8	3	2	9.5	2558
J Houska	13	5	6	2	8	2390
H Richards	11	3	3	5	4.5	2237

### The European Team Championship, Gothenburg 29 July – 8 August

July saw an early staging of the European team Championship. Its largely August staging probably had a lot to do with the low season cheap hire of the vast conference space that they used within the rather splendid Gothia Towers Hotel. We were represented by an Open and Women's team. No sponsorship meant no Adams and Short. Nevertheless there was money forthcoming from the Treasurer which did allow the selectors the chance to debut two of the best of the next generation and also to give Luke his first crack at top board. It worked very well. We finished 13th out of 40 with 21 game points (five places above our seeding). In 14th place was Russia. The team with results consisted of;

L McShane	9	5	2	2	6	66.7	2703
J Speelman	7	1	6	0	4	57.1	2556
D Gormally	8	4	3	1	5.5	68.8	2653
P Wells	4	0	1	3	½	12.5	2199
N Pert	8	2	6	0	5	62.5	2560

Luke put in a great performance which carried great hopes for the future. Danny's handling of the pressures of playing at this level was revelatory. He richly deserved his 2653 performance and if we can find a way for Danny to solve his fear of flying we will have our next super GM. Nick took the brunt of black and always stayed calm and collected in the way he handled the pressure. John was Mr Reliable in his 28th year of representing England. Peter found the twin role of being team captain and playing not easy and this certainly probably cost him points. Having a non playing captain should always be preferable.

The Women finished 13th with 20.5 points (also 5 places above seeding). This was a top effort. In the past we have been criticised for lacking depth and yet here we fielded a team of five for the first time and without Harriet Hunt. This allowed Jessie Gilbert a debut opportunity and also marked the return after a few years absence of Susan Lalic. Both achieved plus scores. However it was Jovanka with a tournament rating performance of 2410 and Heather with a 2353 performance who excelled. Heather finished with four consecutive wins.

	P	W	D	L	Pts	TRP
J Houska	9	4	4	1	6	2410
S Lalic	8	4	1	3	4.5	2304
H Richards	8	5	1	2	5.5	2353
I Lauterbach	5	1	0	4	1	1879
J Gilbert	6	3	1	2	3.5	2154

### **The European Individual Championship**

The European Individual Championship took place in Warsaw from 17 June to 3 July. Apart from the title of European Champion also at stake were plenty of World Championship qualifying places. As a result the event attracted over 200 entries. Grants were made available from my directorate for those wishing to participate and this attracted Danny Gormally, Gawain Jones, Peter Wells and Simon Williams. Danny later had to withdraw leaving the other three to take on the might of Europe. And 'might' it was with Peter being well into the hundreds in terms of seeding. Therefore to finish 79th with 7/13 was a minor triumph and it all started with an upset victory over Luke van Wely in the first round. Simon and Gawain both scored 6 points to finish in 155th and 163rd places. Sadly none managed to qualify for one of the world championship places. The winner was Romania's Livie-Dieter Nisipeanu.

Also starting in June (10th-25th) was the Women's Individual in Chisinau, Moldova. Representing us was Jovanka Houska and what an excellent performance she put in to score 8 points and finish =7th (or 12th on tie break) from a field of 164. It was more than enough to qualify her for the Women's World Championship to take place shortly. I am very pleased to say that the Federation will be helping her with a considerable grant from the legacies fund. We wish her and her second Andrew Greet a successful Championship.

### **Domestic International Events**

We should have a lot more international events. One event that is really taking off is the Coventry International. It was flooded with titled players and allowed players the opportunity for 9 round title norms and getting an elo rating. It also copied the continental style of being played as one big section with lots of grading prizes. Mark Hogarth and Roy Woodcock are to be congratulated for seeing their dream realised. The 4NCL continues to go from strength to strength. It provides wonderful opportunities for serious chess and the final weekend event offers great viewing for the chess fan. Watching Sutovsky v Sokolov to decide the first division title last May was in my opinion as exciting as some of the great moments in the ASHES series. The Gibraltar Telcom Open has been another great success with two editions since the last year book. The 2005 event allowed Danny Gormally to achieve the Grandmaster title. And then there is the majestic Monarch Assurance Isle of Man. It seems to get stronger every year. However we still need more big time events to happen on the main land.

### **The Selection Committee**

It is with a feeling of sadness that I received the retirement of Ray Edwards from the selection committee. Ray has been an excellent servant of English Chess and his input on matters concerning the national team was always excellent. Also the provision of a central London venue by lending us the boardroom of the BCM and one that is open in the future was very generous and very much appreciated. Luckily Brian Smith the big chief of the Wood Green teams in the 4NCL has agreed to fill the vacancy. There is no more respected person amongst the professional players than Brian. Welcome to the team. The rest of the team is Michael Adams, Nigel Short, Harriet Hunt, and myself.

### **The Team England Women's Set Up**

For most of the last two years the running of the Women's team in International events came under the Women's Directorate. However with the scaling down of the new Management Board to nine directors, 'Women's International Chess' has again come back into the International Directors ambit with Claire Summerscale as the

Manager of Women's Chess concentrating much more on Women's Chess development especially through girl's chess. As a result I have persuaded Susan McFarland to assist me with International Women's Chess. As a former CEO of the British Chess Federation and Women's Chess Director she is well qualified.

### **The International Ratings Officer**

The International Ratings Officer was moved from my Directorate to the Grading section where I certainly think it fits better. However my directorate still pays the fees to FIDE. At a recent board meeting David Welsh pointed out how few International Grading events are held in this country. We compare poorly to countries such as France and Spain. Certainly cost is one of the major obstacles. As a result I shall be working in tandem with the IRO to find ways of making it cheaper for tournament organisers to be able to advertise the attraction of getting an ELO rating, and so follow the example of the Blackpool Conference who were the first weekend congress to ELO rate. How many of us are aware that the baseline for an ELO rating is now 1600.

### **Peter Wells and the Wise Men**

One of the people I owe a lot of gratitude to is GM Peter Wells. He has put in a lot of hours as my assistant. His work in organising our player's participation in the European Individual was top notch. I also always welcome his input on matters concerning professional players and I think it has certainly helped improve the relationship between the professional players and the Federation.

I am very grateful to my 'wise men' task force. This will continue. Allan Beardsworth's work for the Majorca Olympiad was beyond the call of duty and resulted in the Deloitte sponsorship. Also very involved are Mark Hogarth and Brian Smith. Added to this list is the Federation's marketing man Roy Lawrence.

### **The 37th World Chess Olympiad**

The 'wise men' are going to be very busy as the next Olympiad is around the corner. Instead of in the autumn it will take place from the 20th May to 4th June in Turin, Italy. The chess community will move into the facilities vacated by the Winter Olympics. The playing venue will be the speed and ice skating rink. If we are going to have Mickey Adams and Nigel Short play for us then we will need funds. One area is to get more money from the Federation. As we saw with the England cricket board prioritising the National team can reap big rewards. We are all happy when the national team win medals as they did on FOUR occasions in the eighties and nineties then taking gold in the 1997 European Team in Pula. But without money this is not going to happen as we will not be able to field our strongest team. I will therefore need everyone's help in pushing this agenda. So far things are looking promising. It is also a FIDE Election year and a very interesting contest is shaping up as there is a challenger of some substance in Bessel Kok. Good competition can only be good for chess.

### **Final Thoughts**

On many occasions I find this job very rewarding. It is certainly a good feeling to have the trust of the professional players in this country. Attending the Majorca and Gothenberg events was also a privilege; an experience for a chess fan that is not easily beaten. In June I had the honour of presenting the prizes in the Adams v Hydra match. I only wish I could have presented Michael with more. It was an event that marked a significant turning in the battle between man and machine. With his excellent result in the Corus Wijk an Zee event in January Michael is now back to form and has put Hydra behind him. The San Luis event seems also to have found a worthy successor to Garry Kasparov in Veselin Topalov and we seem closer than in a long time to having one accepted world champion.

However doing this job is worth nothing if we the chess community do not find a successor to the Duncan Lawrie sponsorship. For a start the players will lose confidence in us as a Federation and therefore in me and it will then be time to allow someone with fresh ideas and contacts to do the job. Also there is considerable stress and worry over where the money will come from. No sponsor not only means no top players but also uncertainty and leaving decisions to the very last minute in the hope that something will appear. We are a much bigger community than we think with lots of chess lovers in positions of influence. If you are one of these then do come forward. Let us make Team England win again.

Finally I would like to thank the Office staff led by Cynthia Gurney and her very able assistants Gemma, Sophie and Tina for all their help. And to you out there lets make the first year of being the English Chess Federation, a year marked by the introduction of the Northern Membership Scheme, as the year that we will be positive about chess. Lets take the message to all that it is cool to play chess.

**Rupert Jones**

## AWARDS

### PRESIDENT'S AWARDS FOR SERVICES TO CHESS 2005

#### **Paul R Bielby**

From the North East. Has held several positions within NCCU, including President, Junior Organiser and Secretary (twice). In addition Paul occupied several positions in County Durham. As "Bishop" he was the weekly columnist for the Newcastle Evening Chronicle and has produced bulletins and coaching material.

He has organised innumerable events for Juniors and continues in coaching and organising for junior chess players. Paul was one of the main architects in the creation of the Northumbria Junior Chess Association which looks after virtually all junior chess activity in Northumberland and Durham. He continues to edit and publish a junior newsletter for NJCA, Coaches at Royal Grammar school in Newcastle and runs a junior team in the Northumbrian league.

#### **Robert Howard Jones**

From Devon. Involved in Junior chess in South Devon and Exmouth since the late sixties. Ran the Exmouth and District Primary Schools Chess League for 25 years, and set up the Exmouth Junior Congress that he ran single handedly for 20 years.

In addition Bob was President of Devon County Chess Association representing Adult players and took over as General Secretary continuing in that post today. Add to that the post of General Secretary of WECU which he has held for nearly 20 years.

A keen chess player, he has played for his County for 41 consecutive years. His club under his captaincy has won the top Division of the Devon League for the last five years. Bob has an entry to the Guinness Book of Records as the inaugural World Marathon Chess Champion in 1961. For the last 5 years he has run the unique Royal Beacon Seniors Congress.

#### **John M Robinson**

Known to many on the board as a regular controller of BCF events during the last 20 years. John quietly manages his roles as controller and arbiter. He is always willing and ready to come to tournaments and to give advice to those who are setting up new events. He has always been willing to host county matches in his village of Stanion.

For many years the Events director of the MCCU and is now the Grading Director. In recent years he has taken the job of taking entries for the British Championships, relieving the Congress Director of an onerous task. In addition John has undertaken work for 4NCL and the controlling of various correspondence chess events.

*Photo: John Robinson (center) receiving his President's Award from Gerry Walsh. Roy Woodcock (left) also received his Honorary Life Vice Presidency certificate from Gerry Walsh.*

Sadly shortly after he received his President's Award John died peacefully in Corby Community Care Centre, after being taken ill in October 2005.

#### **Stephen Robert Boniface - (1951 - 2005) Posthumous Award**

While a pupil at Northampton Grammar School, Steve joined the White Melville Club and soon played for his county, beginning his lifelong chess career, culminating in his appointment as a BCF Senior Arbiter and FIDE International Arbiter.

During his lifetime Steve's monumental services to chess were recognised by popular acclaim, though never marked with a formal award. We are sad to make this award posthumously.

## CLUB OF THE YEAR

### Heywood Chess Club

Two strong nominations were received and Heywood Chess club was chosen for the award. In a relatively short space of time Heywood has grown to 60 members, a third of them juniors. The committee were impressed with the clubs policy of involving children of both sexes, handicapped children and children from disadvantaged backgrounds. The club hosts the Heywood Congress, the second largest in the North West.

Unfortunately there were no nominations for Small Chess Club of the Year.

## PLAYER OF THE YEAR

Michael Adams was awarded the BCF Player of the Year 2005 Award for a record eleventh time on 27th June. The award was presented following the Hydra vs. Michael Adams 'Man vs. Machine' at Wembley Conference Centre. Rupert Jones and Roy Lawrence of the BCF presented the award following the final game of the series. This provided some compensation for a disappointed Mickey Adams following the Hydra demonstration of computer superiority.

*Photo: left to right - Roy Lawrence (ECF Marketing Director), Michael Adams and Rupert Jones (ECF International Director)*

Michael Adams was born on 17 November 1971. He is currently ranked seventh in the world with a current rating of 2741. He is Britain's highest rated player. Crowned British Champion at the age of just 17 in 1989, he also won the Championship again in 1997.

He has an impressive record in leading tournaments – in the FIDE knock-out tournament in 1997 to eliminate challengers to play Anatoly Karpov, he won matches against Giorgadze, Tiviakov, Svidler, Van Wely and Short before losing in the finals to the formidable Anand. In 1999 at Dos Hermanas 'Mickey' Adams finished clearly ahead of Kramnik, Anand, Svidler, Karpov, Topalov and Judit Polgar. In the 2004 FIDE World Championship he reached the finals again, playing and eliminating Asabri, Asrian, Hamdouchi, Nakamura, Akopian, and Radjabov. In the finals he lost 3.5-4.5 to current FIDE Champion Rustam Kasimdzhanov.

The players were voted for by BCF Direct Members and Chess Journalists, the top four are:-

- 1 Michael Adams
- 2 Danny Gormally
- 3 Luke McShane
- 4 = Harriet Hunt & Jonathan Rowson

## BOOK OF THE YEAR AWARD

Though the three other books short listed this year had considerable merit, there was a clear winner for 2005.

### **My Great Predecessors Part 4 Gary Kasparov (Everyman) pp 496 £25.00**

The four volumes of My Great Predecessors so far published are setting a new standard, both in terms of content and presentation. The series when completed will surpass anything previously published on the world champions and their challengers.

This latest volume deals with Fischer and his dramatic ascent to the title but also with his Western contemporaries and rivals, Reshevsky, Najdorf and Larsen. Naturally the famous Reykjavik match with Spassky is considered in depth. The high analytical chess standard is maintained and Kasparov continues to display his unique insight into the turning points, both on and off the board, in the matches and careers of the players. Whilst Kasparov can be highly critical he also shows great sympathy for the fates of players who gave their lives to chess.

The book, as in all the series, is beautifully produced.

### Short List

Whilst there are too many chess books published today that are little more than data base dumps, there are still excellent volumes to be found, from which the judges have been able to make a selection of four very worthwhile volumes.

### **Curacao 1962 Jan Timman (New in Chess) pp 216 £15.99**

This last Candidates tournament was one of the most important in chess history, leading to a new world champion, Petrosian. It also greatly influenced Fischer who believed the Russians ganged up on him and in consequence led to matches rather than tournaments deciding the world title challenger. Timman, one of the chess world's most perceptive writers, casts his eagle eye over players, controversies and games. There are many excellent photographs.

### **Learn from the Legends Michael Marin (Quality Chess) pp 312 £ 17.99**

It is always a pleasure to welcome a new chess publisher particularly when they produce books as good as this. The idea behind the title is to take the most characteristic and best elements of eight champions' play and see what can be gleaned from their remarkable virtuosity. The author took six years to produce this book and the effort shows in the remarkable insight and ideas on every page. Entertainment and instruction are admirably combined.

### **My Great Predecessors Part 4 Gary Kasparov (Everyman) pp 496 £25.00**

The latest edition of Kasparov's monumental opus deals with Fischer. One can only say that the high standard of the preceding volumes is maintained. Gary's retirement from professional chess playing is to be regretted, but at least he may have more time to write! The book is outstanding in everyway and beautifully produced.

### **My Most Memorable Games Boris Gelfand (Edition Olms) pp 262 £17.99**

Gelfand has been one of the worlds leading players for more than ten years. He has selected 51 of his best games which he has annotated in great detail, but in a way that will appeal to players of all levels. Also included are a selection of combinations and endings and a special section on 8Rb1 in the Grunfeld defence, a famous Gelfand speciality. Admirably produced, this volume is an excellent addition to the best game genre.

**R B Edwards      J T Farrand      J Toothill**

## ECF MASTER POINTS SYSTEM

ECF Regional Master, County Master and Club Master titles can be awarded to anyone for performances subject to the following requirements: -

1. Events must be played at a normal rate of play and must be affiliated to the ECF via the Game Fee Scheme. Rapidplay games are not eligible for consideration.
2. In order to gain master points, a player must play at least five games in any given event, which can be a tournament or a league, etc. Games decided by forfeit or adjudication, awarded as byes or by any means other than over the board play, cannot be included. Games once started, which are forfeited for whatever reason, shall however be included. Games played against computers are not included:
3. There are three master titles, based on different levels of performance: -

	<u>Performance level</u>	<u>vs a field of av. grade</u>
<b>Regional Master</b>	180 or higher	150 or higher
<b>County Master</b>	160-179	130 or higher
<b>Club Master</b>	130-159	100 or higher

4. A score of at least 40% must be achieved in any event counting towards a title. In order to be awarded the title of Club, County or Regional Master, a player must have at least FIVE performances (norms) at that level.
5. An event of NINE rounds or more counts as two norms.
6. Results supporting a title application must be achieved in events with starting dates that fall within a five-year period.
7. Higher results which have been applied to a lower level title may nonetheless be applied to a higher title at a later date.
8. At least 80% of the opponents encountered in any given event must have established ECF grades. Ungraded opponents will be counted as being of the same grade as the average of the grades of the other opponents met in that event.
9. It is the responsibility of the player to ensure that the certificate provided is completed correctly. Forms can be obtained from the ECF Office.
10. Certificates should be sent to the ECF Office together with a fee of £15 (£5 for ECF Direct Members). Cheques must be made payable to the ECF.

## Smith & Williamson 92<sup>nd</sup> British Chess Championships

For many years, I have been an Arbiter at the British Chess Championships and more recently I have acted also as Deputy Director. I have never been quite certain how the Congress Office operated, but I think I know the situation on the 'shop floor' fairly well.

I had no reservations about asking Alex MacFarlane to be Chief Arbiter of the British Chess Championships. He maintained excellent conditions for the players and ensured the smooth day-to-day running of the tournaments. I took over Neil's position in the Office upstairs, so Alex and I did the jobs previously done by Neil, Alex and myself. This did set me to wondering what exactly I had been doing at Scarborough: the position of Deputy Director did not seem to be missed. Neil Graham, however, was missed. The Office did not seem quite the same without his merry quips, and I knew for the first time that the 'buck' really did stop here, and I had to make any critical decisions myself.

As a team, we are a fairly quirky lot, and I did my best to play to our strengths. Everyone worked very well together and there was little sign of tiredness towards the end of the second week. We had all worked hard, but not been pushed past the limit.

You may have noticed that I haven't yet mentioned the important people. The Congress would have been singularly boring without the players. The main events were well contested and all the extra activities were as well supported as they had been in a Congress twice the size. You will see lots of lists of winners, but all participants contribute a lot to the overall success of the event.

I really do thank Gareth Pearce of Smith & Williamson for his continued support and sponsorship. He opened the Congress together with David Cretney, the Manx Minister of Tourism and our President, Gerry Walsh. It is tempting to list everyone, but so often this leads to missing out someone obvious. Everyone worked hard, and I do appreciate it, but I must make special mention of the friendly approach and quiet efficiency of the Villa Marina staff.

The daily bulletin was a great success, the Cricketers did themselves proud, the Congress website received favourable comment and the great majority of the players enjoyed both the Chess and the delights of the Isle of Man. We were still meeting players a couple of days after the Championships ended, when about half the Arbiting team spent a little longer on the Island before finally making our way home.

David Welch  
Director of Congress Chess

## BRITISH CHESS FEDERATION GRAND PRIX 2005

Grand Prix 2005 Winners: Barry Sandercock, Gerry Walsh (ECF President presenting prizes), John Constable and Sheila Dines. Other prizes were presented at the 4NCL weekend, photographs were not available at time of going to print.

Grand Prix	Andrew Greet
Female Prix	Sheila Dines
Senior Prix	Barry Sandercock
Junior Prix	Sheila Dines
Disabled Prix	Jack Rudd
Under 175 Prix	Michael Kobylka
Under 150 Prix	Jinwoo Song
Under 125 Prix	Phil Bull
Under 100 Prix	John Constable

There has been a huge increase in the workload this year in determining Grand Prix scores. 2004 was, of course, a part year but even so the amount of players scoring points rose substantially. The table below gives the number of players with qualifying scores together with those who reached a maximum. The number of players with qualifying scores this year ran to 1,516 – a 41% increase on 2004 with the Junior Prix showing a huge increase in players. Increasing the points threshold however meant that the number of players reaching maximum points remained static at 24.

	2004	Max	2005	Max	% increase
Grand Prix	209	6	242	1	16
Female Prix	76	4	107	6	49
Senior Prix	152	2	214	3	41
Junior Prix	204	7	362	9	60
Disabled Prix	21	3	34	2	62
Under 175	76	1	94	1	24
Under 150	115	0	170	1	48
Under 125	106	1	164	1	56
Under 100	115	0	129	0	12

I have no idea if the Federation will be able to continue with the Grand Prix though a further extension year has been granted and this years events will continue until the Smith & Williamson British Championships in Swansea. Simply put if every player who appeared on the spreadsheets of qualifying players donated £4.00 there would be enough to keep the Grand Prix going in its current form with the same amount of prize money. If just one of those players could find a sponsor for the comparatively small amount that is needed for this event, the future of the Grand Prix would be assured.

Grand Prix Controller

## I.A.P.S. National Chess Championships 2005

The 33<sup>rd</sup> I.A.P.S. National Chess Championship, held at Aldro School was well supported again this year and the players and staff members were surprised to have the prizes presented by 7 times World snooker champion Steve Davis.

The Individual Championship was extremely close this year and won by Katie Hale (Millfield). She scored 6.5 out of 7 to be the first ever, female winner of the Championship. In 2<sup>nd</sup> place came Andrew Winchcombe (Claire's Court) 6/7 with Charles Court (Aldro) last years winner 3<sup>rd</sup> =, together with Samuel Franklin (Dulwich), George Salimbeni (Great Walstead), Richard Weaving (Warwick School) and Andrew Boyle (Aldro) who all scored 5/7.

The competition was of a high standard and International Master Andrew Martin was impressed with many of the games. He chose the game played by Katie Hale (Millfield) against Andrew Boyle (Aldro) as the best game of the Championship and the game by Daniel Matten (Twickenham) as the best game in the simultaneous display. He was the only player to beat Andrew Martin.

Aldro School achieved the double winning two National titles, the Hodgson senior team cup and the David Bull Cup for the best four under 11 players.

Katie Hale was also the girls champion and Millfield School won the Girls Team Cup.

As well as the chess all the competitors enjoyed the facilities provided by Aldro and the 5 a-side football competition on the Tuesday evening was particularly popular. On the Tuesday afternoon most of the teams visited Chessington World of Adventure and enjoyed a complete break from the chess.

It is hoped that we will be able to hold the Championships at Aldro next year and any schools affiliated to I.A.P.S. will be most welcome.

## European Team Championship, 29 July - 8 August 2005

### Open Team Report

As we have become used to England doing well in such events as the European Team and the Olympiad we seem to forget that one of the major factors behind that success was an excellent sponsor in Duncan Lawrie. Since 2001 that has not been there. As a result we have to get used to a new reality which is that of a struggle for money to get a good side out to represent us. So failing to do the best thing I think that to send out a team that began the process of giving the next generation a crack of the whip turned out to be very successful in Gothenburg and the second best thing to do. As a result we should be very pleased with the teams performance in coming 13th (five places ahead of seeding) and dare I say it ahead of the Russians. Four members of the team got plus scores AND IMPROVED THEIR RATINGS.

*Rupert Jones (2<sup>nd</sup> from right) with the Men's Team*

Luke McShane on one for the first time had a very good tournament. He came to Gothenburg from an unfortunate experience in China and a little bit down in confidence and then played out of his skin. It looked like he was going to win a medal but two defeats later to Navarra and Vladimir Georgiev cost him his chance. However a fine win against Rozentalis in the last round still gave him an excellent plus three and 6/9 and a performance in excess of 2700. On board three and one of two players making his debut was Danny Gormally. What a star we have in the making if we can only find ways to ease his travel fears. Despite all the worries about getting him there and then getting him back, once there he put them all to one side and played superb chess. With one round to go he was all set for a board prize. A quick draw in the last round and all his rivals winning cost him his chance yet a score of 5.5/8 and a performance rating of 2650 plus represented a fine debut. The other debutante was Nick Pert and another fine debut it was. He went through the event unbeaten and ended up with plus 2. And now to the veteran of the team. Danny and Nick seemed to be in awe of the fact that Jon first made his debut for England in 1977 before some of them were born. And one thing you can get from Jon is solidity and an unbeaten performance. And finally let me congratulate Peter Wells on doing a fine job as captain though he would probably be the first person to admit that it did affect his play. Once we get a good sponsor again for the international team we can go back to having non playing captains and being less budget conscience. Another factor is that the team standings were done on match points. Our game points score was 21 which is just short of the total game points we scored in winning the event in 1997.

Our sincere thanks to the Swedish organisers who were very efficient in putting the whole thing together, whether it was from being met at the airport and delivered to the hotel in smart new Volvo's, generally everything was excellent. The venue and the hotel were all in the same place and with lots of space and the food got better.

All we need now is a good sponsor so we can get a team out again that can challenge for medals. Where the likes of Gormally and Pert (and let us not forget David Howell) can compete for places in a team with Adams,

Short and McShane. Then we will give ourselves the chance to again win medals. Is there anybody out there reading this who can help? We are waiting to hear from you.

Rupert Jones, International Director

### European Women Team Championship 2005 – A captain's log...

The picturesque city of Gothenburg played host to the European Team Championships 2005. With a U2 concert on the first day and being situated next to Scandinavia's largest theme park, Gothenburg was truly a magnificent setting for such a prestigious international event.

A new format had been introduced for the Women's team championship, whereas in previous years the teams had simply consisted of two players and a reserve the teams had been doubled to four players and a reserve. This change had severe implications on many countries; many could not send teams as it was so expensive, others had problems finding players of a reasonable strength who could participate. In effect the change only really benefited a few countries that had the depth to perform consistently. However despite the changes in place, the actual strength of the top teams was phenomenal several of them could have happily held their own in the Open team section.

*Rupert Jones with the Women's Team*

The young Russian team, were the runaway favourites, they were so strong that former World Championship Contender Alisa Galliamova could only make the reserve board. Hot on their heels were the Georgians who were further strengthened by the last minute arrival of Maia Chiburdanidze. However in the end, it was Poland and its team of International Masters who finished somewhat surprisingly first.

Rank	Team	+	=	-	MP	Pts.	
1	Poland	6	3	0	15	23	Although we were without our regular top board Harriet Hunt, we managed to field a very strong team of myself (captain), IM Susan
2	Georgia	5	4	0	14	21½	Lalic, WIM Heather Richards, WIM Ingrid Lauterbach and WFM
3	Russia	5	2	2	12	22	Jessie Gilbert. Despite our low seeding (18 out of 27), the return
13	England	3	3	3	9	20½	of Susan and the injection of young blood in the shape of Jessie

filled us with optimism. Our main goal was to finish in the top ten and play at least one of the strongest teams and after a somewhat an unlucky start we managed to stage a magnificent comeback to finish in thirteenth place.

It was a great honour that I was chosen to be captain although I was a little bit nervous as to how both the team and myself but I needn't have worried the whole team had such a positive attitude that it made my job very easy. On top board I scored six points from nine, I was happy with my performance although typically I had hoped for a few more wins!! After nearly four years of absence from serious chess it was a welcome sight to have Susan back on the team. Such is her strength and experience that despite her absence she managed a very creditable 4.5 out of eight holding her own against many strong players. Heather has had an incredible summer this year picking up an average thirty rating points per tournament and in Gothenburg it was no exception. Scoring a magnificent 5.5 out of 8 she played in her characteristic attacking style managing a fine win over International Master Svetlana Prudnikova from Serbia and Montenegro.

*Jovanka Houska (left) on Board 1*

Jessie managed to shake off the curse that has haunted newcomers in the previous years. With her enthusiasm and optimism coupled with some calm logical play she was a real asset to the team. I am sure that we will see much more of her in later years. This tournament turned into something of a nightmare for Ingrid but even so to her credit she put in 100% effort into every game even though she was very unlucky not to have scored more points.

## Gothenburg 2005

By Susan McFarland

Gothenburg, scene of this year's European Team Championships, is a thriving, modern city of half a million people. Although a major Swedish port and a strong business and industrial centre, it is an attractive city to visit. The streets are spacious, the pace of life is relaxed and the welcome is friendly. Most people speak some English, which was a great help in restaurants, on the trams and in shops. This is a great European city, as is illustrated by the Konstmuseet, the art gallery, with works by the French Impressionists, Rembrandt, Rubens and Picasso as well as a fine Nordic collection. There are many places to stay, and these championships used the best. The glass-fronted Hotel Gothia Towers, where the players stayed, is connected to the Gothenburg Convention Centre, where the event took place, and together they provided comfortable and stylish surroundings for players, officials and visitors alike.

Both England Teams did well, fighting to the very last game, and both improved from their seedings of 18th to finish in 13th places. Fine performances were given by Luke McShane, 6/9, Danny Gormally, 5.5/8, Jovanka Houska, 6/9, and Heather Richards, 5.5/8. The Women's Team result is especially good given that, unlike many of their opponents, they were without a coach. Jovanka Houska deserves special mention, combining her debut on Board 1 with captaining the Women's Team. Visitors were able to walk round the playing hall and see many chess stars: men like Ivanchuck, Korchnoi, Svidler and European Champion Nisipeanu; and women such as Maia Chiburdanidze, Alexandra Kosteniuk, Antoaneta Stefanova and Pia Cramling. Each team's progress was clearly shown on display boards, and most games were visible unless they attracted a crowd. The commentary room featured live commentary on leading games delivered by well-known chess players, with some sessions in English by Nick de Firmian. An excellent bookshop was available and the café provided a range of snacks and sandwiches Swedish style. The organisers hope to host the 2010 Olympiads in the same venue. Certainly, these championships were extremely well organised and very pleasant to visit.

It was a pleasure witnessing the success of the England Teams, and the achievements of the younger players look promising for the future. It is very much to the BCF's credit that it sent two such good teams without sponsorship. However, it remains true that in order to field the best teams with full support, the ECF (as it will be) will need sponsorship.

Hebden was chased down to the wire by Danny Gormally who had to be content with the runners up prize finishing with a very strong 9/11. Young pretenders Craig Hanley and Stewart Haslinger shared third place watching from a respectful distance with 7.5/11 each.

## JUNIOR CHESS

This has been a year of change, with 3 directors in post within a very short time. We look forward to a period of stability and planned growth in Junior Chess.

### Glorney and Faber Cups

These were held in Liverpool in July 2005. Grateful thanks are due to Norman Stephenson and Charika Sirisena for stepping into the breach and acting as team managers with great success.

Congratulations to the England Boys team who retained the Glorney Cup with 21½ points from a possible 25. The team of Simon Fowler, Peter Constantinou, Robert Heaton, Paul Lam and Richard Westwood all performed well. It had been agreed beforehand that England would run 2 teams in the Faber Cup for Girls. When it was realised that another nation was not bringing a girls team, St Michael's School, Aughton came into the breach with Sophie Williams, Rachel Cass and Chantale Belkhiri making an England C team and celebrating their debut with a 2-1 over Belgium!

The England A team of Chantal Sirisena, Charlotte Wilcox, and Claire Morris cruised to a convincing win with 13 points from a possible 15 without losing a board in the process. The England B team was weakened by a very late withdrawal but Hannah Dale and Jessica Thilaganathan both played well.

Thanks are due to Peter Purland for his wise advice and controlling. Many thanks also to Liverpool Hope University for their hospitality and kindness.

### World Youth Championships

These were held in Belfort, France in July. The following report is from Eric Khoo who with Traci Whitfield, and Tony O'Toole ran the event on site.

It is the last round of this year's World Youth Chess Championships.

The WYCC is not a normal competition. It involves the best or chosen representatives of each country in the world to compete in a fair and level field environment. It is an event in which the representatives are proud to be chosen and endeavour to prepare and perform the best possible for their countries.

In today's last round, we scored 3 wins and 2 draws. George O'Toole, Sheila Dines and Gawain Jones won to chalk up a final score of 6, 7 & 7 points respectively. Dana Harami drew to score 6.5 points while Li Wu drew to make the highest English score of 7.5 points - even though he was refused a visa to play for England up until the 11th hour!

On the whole, all the players performed well and almost everyone was on a positive score, i.e. above a 50% level. This is one of the best team performances from England. Notable achievements are: Stephanie Hales improved from her previous record in WYCC; Craig Whitfield achieved the best Under 10 Boys performance for the last few years; Li Wu threatened the top boards in the Under 16 Boys and was in the running for a medal until the 8th round; Gawain Jones was in his last WYCC and also in top form with medal chance until round 8. Chantal Sirisena, Jessica Gilbert, and George O'Toole also played very well indeed.

It must be reported that we were just able to successfully maintain high team spirits this year with significant help from all parents onsite, despite the adverse conditions - thanks to Mrs. Whitfield for assisting in the language barriers and the coaches for continuing to work hard in preparing the players in a what can be only described as a very hostile environment to compete in such a prestigious event.

Well done team, until next year.

Eric Khoo

### World Junior Championships

These were held in Istanbul in November, clashing with the first term of the university year, making it impossible for anyone to enter who was not on a gap year. Jessica Gilbert entered and performed creditably.

### European Youth Championships

These were held in Herceg Novi in September. The party was led by Harriet Hunt with the assistance of Lawrence Trent, both of whom we thank for their efforts. The support of parents was also invaluable, Nitin Lakhani, Hu Wang, Matt Hunt, Patrick Abrams and Sen Purushothman all provided expertise. The report is from Matt Hunt whose literary skills kept us all informed.

And back to business: coaching started last night, after the draw came out and resumed at 08:15 this morning. A light mist hung over the sea – maybe it was there every day but we have never had to be up that early before. Breakfast was taken on the run, but all were set for the England get-together at 10 past 10, ready for the 10:30 start of the last round. After a few final words from Harriet it was the by now traditional “group troop” down 160 stairs (Tom and Glen counted them) to the playing halls. The accompanying persons then convened around the outdoor café tables – but with little shade it was a blessing when the occasional cloud took the real heat out of the sun. Even Sen made it – a real red letter day! Players (not England ones) started coming out after an hour or so – the last round often produces shorter games but we are confident that Harriet’s exhortations to the England players for a **third positive score day** in a row will keep them at their

boards come hell or high water or the end of lunchtime in the restaurant.

The chess bit:

Maria Wang has recovered from yesterday’s tummy ache and takes her score against Hungarians to 2/2, playing an opening she learnt just an hour before the game started. Tom Pym’s opponent is from the host country and appropriately enough plays the Yugoslav attack against the Sicilian Dragon, but doesn’t really do the attack bit and Tom wraps up a quick win. The U18 boys don’t have a good day, but their U10 counterparts do well, with James Abrams winning convincingly to complete an excellent second week’s chess, and

*Debriefing (clockwise): Maria, Harriet Hunt, James, Danny and Tom. Photo: Matt Hunt*

Danny Hunt securing a steady draw to finish on an excellent 5½/9. By 2.30 pm I still haven't seen Sarah Hegarty or Ankush Khandelwal – Sarah is still playing and eventually wins in the endgame, but what has happened to Ankush? Has he made a dreadful blunder and can't face coming to report back? Eventually I go into the deserted tournament hall and look through the scoresheets. I'm delighted to find he's won a fourth game in a row, joining Danny as England's top scorer on 5½ points. This takes our day's tally to 8½ points from 13, a third very good haul of results which brings the squad back to exactly 50% overall – a great finish after a difficult first week. Well done everyone!

Matt Hunt.

### **BCF Junior Masters Ampleforth October 2005**

This was the last of a very successful series at the school, and Peter, Gill and Matthew Turner must be congratulated and thanked. The hospitality of the brothers also helped make the event, which was opened by Gerry Walsh, such a feature of the chess scene. The Ampleforth competition will be hard to replace. The event was won by Thomas Pym after a playoff from Peter Poobalasingham with James Hanley, Ankush Khandelwal, Vedantha Kumar and Andrew Tucker joint 3<sup>rd</sup>. The U14 prize was won by Jac Thomas, the U13 by George O'Toole and Charlie Hierons winning the u11. The girl's title was won by Sheila Dines.

### **Peter Turner Reports**

In the splendour of Ampleforth Abbey & College 200 chess enthusiasts gathered to enjoy the 6<sup>th</sup> and final 'Ampleforth Experience'. This year, with 21 current British Junior Champions competing, must rank as the most prestigious junior tournament ever in Britain. It also marks the birth of the English Chess Federation. The players and their supporters 'conspired' to make this a showpiece of the very best of British chess, a fitting tribute to this unique tournament. Every competitor was presented with an Ampleforth medal.

In the magnificent setting of the Main Hall at Ampleforth College the final move, of the blitz play-off to decide the Ampleforth Champion was made. Thomas Pym overcame Peter Poobalasingam in a wonderful, nerve-jangling emotionally charged atmosphere. Thomas emerged the victor and took the title for the second time in three years.

### National Counties Team Championships

These were held at St Peter & Paul School, Syston, Leicester in June. The defending champions Lancashire could not defend their title, but the eventual winners Kent was a surprise to themselves!

The headmistress of the school Fiona Buchan, welcomed the teams to the school, for a second visit, and confirmed that the event would return on May 20th 2006. Alan Ruffle told the teams that next year's event would see one change. The Minor Counties trophies would be competed for by teams whose average grading was less than 110.

There are many excellent junior events which I would like to have publicised in this report. If the organisers would care to send me copy for next year, I will ensure that it is reported fully.

My thanks to Peter Turner for help and advice, for all the parents for their understanding of what has been an interesting start to my career in Junior chess at this level, to those who support by organising events, by coaching in schools and finally and most importantly, the players who ensuring the continuation of this excellent sport.

## BCF NATIONAL SCHOOLS CHAMPIONSHIP 2004/2005

**Championship: Nottingham High School A**  
**Plate: Hampton School**

The competition, which is open to all schools in England, Scotland, Wales and Northern Ireland, attracted 123 entries. This is the second time Nottingham High School has won the competition in the 47 years that it has been running (last winning in 1992).

Nottingham HS set a record by qualifying for the last four in both Plate and Championship. The Semi-finals and Finals were played Saturday / Sunday 2-3 July 2005 at Quorn Hall International Educational Centre, Quorn, Leics. This is a rather splendid country house whose early history we don't know, though it is now under the administration of Leicestershire County Council. Dave Welch, BCF Chief Arbiter, officiated as always. BCF CEO Roy Heppinstall was in attendance, together with acting Director of Junior Chess & Education Cyril Johnson.

*Photo: Nottingham High School A - (back row, left to right) Dominic Heining, Ian Harris, Michael Keetley & Dr John Swain, the school's master-in-charge of chess. (Front row, left to right) Ankush Khandelwal, Balvinder Grewal & Kishan Lakhani.*

Dr John Swain, Nottingham High School's master-in-charge of chess, said: "I am delighted about the boys' achievement in winning the national title. Their team spirit and willingness to learn from each other were really impressive throughout the many months of the competition. It is particularly pleasing that the younger players in the 'B' team have done so well too, and that even younger boys from the Junior School have achieved national success once again at the same time."

The competition goes back to 1957, and no one is sure whether the achievement of Haberdashers Askes in winning two different Zones is unique. It probably is.

## SCHOOL AWARD

With funds provided by the generosity of the late Sir George Thomas (now administered by the British Chess Educational Trust) the English Chess Federation annually awards shields to schools which have shown outstanding achievements or enthusiasm in chess. Commencing 1982 inscribed chess boards have been substituted for shields. Recommendations for awards should be forwarded (via the appropriate Union if in England, or via the national organisations for Scotland or Wales) to the ECF Office at Battle by 31<sup>st</sup> May each year.

## THE BRITISH LAND UK CHESS CHALLENGE

### TERAFINAL REPORT 2005

This year's British Land UK Chess Challenge Terafinal, held at the Source in Sheffield on 20<sup>th</sup> and 21<sup>st</sup> August, must go down as one of the most keenly fought to date. Granted the top seed won, but he lost the lead at one point and the pressure of being the favourite, especially with high prize money at stake, is extremely taxing. Add to this the 3-1 scoring system which penalizes the so-called grandmaster (really overweight chicken) draw and we have an excellent test of cool.

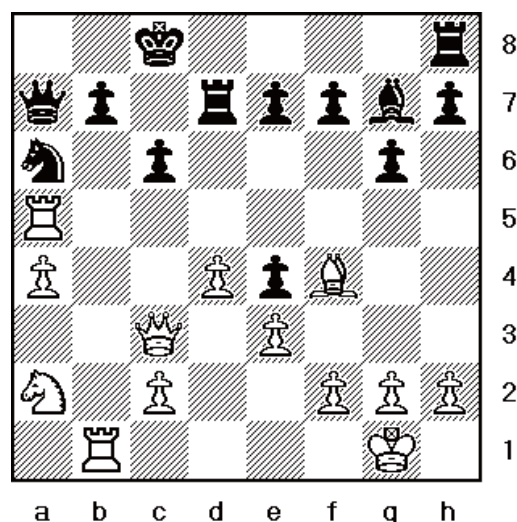

Stephen Gordon, this year's STRAT, came through with flying colours. He won his first three games, faltered in round 4 against E Josiah Lutton, but came back strongly to win in rounds 5 and 6. Stephen then used his British Land prize money of £1,000 to help fund his trip to Barcelona, where he registered his third International Master norm and may soon be awarded the title!

Almost 200 children took part in the chess weekend. There were 46 players in the top event, the Terafinal, comprising the National Champions from 12 age groups (with separate boy and girls champions). In addition, there were two Challengers sections, each with a top prize of £500 for players who came 2<sup>nd</sup> or 3<sup>rd</sup> in the qualifying events. Finally, a very popular "Relax with Chess" event allowed parents and siblings to enjoy a friendly tournament at the same time as the main competition.

With over £8,000 in prize money at stake in this Final event, matches between the juniors were incredibly intense. Despite this, all the games were contested in excellent sporting manner. In second equal place were Peter Roberson, Peter Constantinou and Sabrina Chevannes. All these players tore up the form book by outpointing higher ranked players and showing that determination and focus will often make up for a paper deficit in grading. Sabrina Chevannes also took the £500 prize for top girl player.

For a long time the Under 11 prize, which was also £500, was in doubt and several players could have won it in the last round. With half an hour of the playing session still to go, Danae Kokossis held a slender lead, but there was one game still to finish between Tom Huband and Craig Whitfield. Craig Whitfield was pressing throughout the game but Tom held him off manfully until right near the end, Craig broke through and won the U11 title plus the Patrick Rebello Cup. This was Craig's second major triumph in two years, as last year he had also won the Under 9 title. His decisive victory came the previous year against Megan Owens.

### Girl power times three

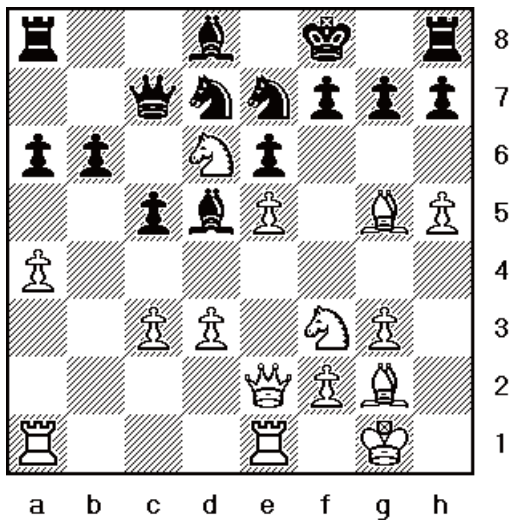

The days when the girls would just roll over in face of enemy fire are long gone, and in the last round, 3 of the top girls destroyed their higher rated opponents. First, Sabrina Chevannes against "The Boss", Jonathan Lappage (diag)

Jonathan had captured a hot pawn on b2 earlier in the game, and now had his two major pieces, the queen and the king, in a severely embarrassing position. In fact, white can even consider the queen sacrifice 1 Qxc6+?! bxc6 2 Rxa6!! on the grounds that 2 ... Qxa6 3 Rb8 is mate. Admittedly, things are not so clear if black replies with 2 ... Qb7 or 2 ... e5.

Sabrina brought her last attacking piece into play with 1 Nb4 and now Lappage flicked in the spoiler 1... Qb6! attacking the rook and preparing to checkmate should white blunder with 2 Nxa6?? Qxb1! Here, 2 Rb5! followed by Na6 or Nxc6 looks destructive enough, but Sabrina chose a different course: 2 Rxa6! bxa6 3 Rb3 parrying the back row threats and turning the attention back on the black king again.

3 ... c5 4 Nxa6! Qa7 5 Rb8+ Qxb8 6 Nxb8 and black's position is now a smoking ruin. He tried his checkmate threat again, but could only hold out for a few more moves. 6 ... Rb7 7 Qxc5+ Kd8 8 Nc6+ Ke8 9 Nb4 e5 10 Qc8+ Ke7 11 Qxb7+ black resigned. ZOP!

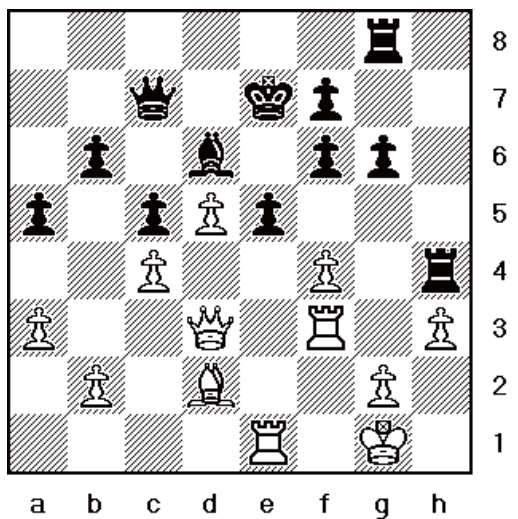

**Sarah Hegarty v E Josiah Lutton**

Black had a grisly position here, with his king uncastled on f8, the rook shut in at h8 and a white knight sitting on d6. His attempt to free himself with a knight sally only rebounds horribly.

**1... Nxe5 2 Qxe5 Nc6 3 Qxd5!** black resigns. If 3 ... exd5 4 Re8 is mate.

POW!!

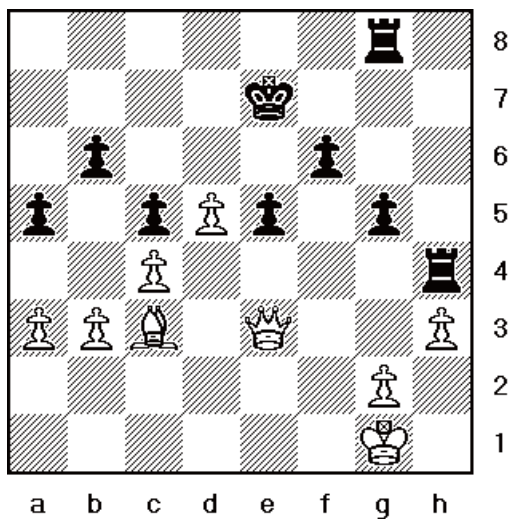

Finally **Sheila Dines** brought tactical flair to her demolition of the in-form James Foster.

**1 fxe5 Bxe5 2 Rxe5!**

This sacrifice is two pronged. If the rook is captured by the pawn, the check at e5 regains material with interest; if captured by the queen, she falls to a pin.

**2 ... Qxe5 3 Re3 Rd4 4 Rxe5+ fxe5 5 Qd3 f6 6 b3 g5 7 Bc3 Rh4**

e5 has not been a lucky square for James, and now lightning strikes in the same place twice.

**8 Bxe5! fxe5 9 Qxe5+ Kf7 10 Qf5+ Ke7 11 Qe6+ Kf8 12 d6 Rd4**

A blunder, but there was nowt for it.

**13 Qe7++**

SPLAT!

The 2005 British Land Chess Challenge comes to an end. It remains to thank the sponsors The British Land Company Plc and in particular the Chairman John Ritblat, whose unstinting generosity and dedication to the education of young people has enabled the tournament to thrive and grow over the past 6 years. John Ritblat has now received a well deserved Knighthood "for his services to the arts". Congratulations!

## ECF CERTIFICATE OF EXCELLENCE

### Supported by The Board of Actuaries

The new Certificate of Excellence Scheme has been designed to be simpler and more user-friendly than previous Schemes. The Scheme has three levels, Gold, Silver and Bronze. There is a syllabus for each level and eventually there will be lesson notes at all levels. Please find enclosed a set of lesson notes for the Bronze Certificate.

The Bronze and Silver examinations comprise of 15 multiple-choice questions (short explanations are required on some questions on the Silver Paper). The Papers have been designed so that a candidate is able to complete them during a normal school lunch hour, 30 minutes is allowed for the Bronze Level and 45 minutes for the Silver. Candidates will require a board and set at the Silver level because some questions ask them to play through a series of moves. It is anticipated that the majority of applicants will be able to complete the examination well within the time allowed.

At the Gold Level, the examination is split into two 45-minute sections, which can be taken at different times.

The Bronze and Silver Examinations cost £2.50. The Gold examination is charged at £5 because of the added complexity of marking the exam.

At the Bronze level each candidate will receive a pen and badge along with their examination paper. Each Silver Certificate candidate will receive a English Chess Federation (ECF) pen and scorebook. Once completed examination papers are to be returned to Matthew Turner GM (address below) and successful candidates will be issued with a laminated certificate.

by John Rice

### Winton Capital British Chess Solving Championship, 2004-5

This event is now so well established in the British chess calendar that an explanation of what it consists of is no longer necessary. Thanks to the generous sponsorship of Winton Capital Management and the hard work of Controller **Brian Stephenson**, the profile of the Championship has been significantly raised in the last few years. It is now possible for Brian to invite some of the world's top solvers to compete in the Final, held invariably at Oakham School, Rutland, during February. They come with expenses paid and the chance to win significant prize-money (but not the title!), and their presence ensures that the event qualifies as an official solving championship for the calculation of ratings and eventually for the award of norms. Consequently, any competitors, including British entrants, who achieve a high enough score could be on the way to gaining the title of FIDE Solving Master. There were 36 contestants at the 2005 Final, a record for the event.

When GM **Jonathan Mestel** is on form, there is hardly a solver in the world who can match his performance. On this occasion he did not put a foot wrong from start to finish and ended up 5 points clear at the top of the table. The next four places were also occupied by Grandmasters, three overseas visitors and **Graham Lee**, who hosted the event at Oakham. The next-placed British contestants were FM **Michael McDowell**, FM **Colin McNab** and IM **David Friedgood**, the previous year's winner. Full details of this event can be found on Brian Stephenson's website ([www.bstephen.freeuk.com](http://www.bstephen.freeuk.com)), together with problems set in previous years and information about the current Championship.

### European Chess Solving Championship, Legnica (Poland), June 2005

This new event in the chess solving calendar derives from an initiative from Poland, whose solvers offered to act as hosts. Keen interest was shown in the ECSC right from the start, and its success can be measured by the fact that teams from 15 countries took part. Each team consists of four solvers, with the three best in each round contributing to the score. A further, and very welcome, feature of the ECSC is that there is an opportunity for Juniors to take part, solving the same problems under the same conditions. Winton Capital Management kindly agreed to provide some funds to support the British team of GM **Graham Lee**, FM **Colin McNab**, GM **Jonathan Mestel** and GM **John Nunn**, with **Paul Cumbers** as reserve and **Adam Eckersley-Waites** (Oakham School) competing in the junior section.

The British team was widely regarded as the favourite to win the Championship, and indeed, after four rounds, it looked as if first place was secure, with Great Britain enjoying a lead of 21 points over Finland. Up to that stage John Nunn had solved everything correctly. But nothing is certain in events like this, and it turned out that all four of the British solvers had trouble with the problems in four and more moves, an exceptionally difficult set. When only John and Jonathan scored the full 15 points on the helpmates in the last round, the Finnish team crept ahead to win by a margin of 2½ points, with Great Britain second. In the junior section Adam came fourth, a fine achievement by a youngster who had hardly solved a single problem until a few weeks before the event!

### World Chess Solving Championship, Eretria (Greece), September 2005

After coming second in last year's WCSC and second again in the ECSC, it was surely time for the British team to score an outright victory. This was duly achieved at the 2005 WCSC, though with only one round to go the outcome was in the balance. But FM **Michael McDowell**, GM **Jonathan Mestel** and GM **John Nunn** held their nerve and fought off a strong challenge from the teams from Israel and Finland. Congratulations go to them on a magnificent achievement, made possible once again by the generous sponsorship of Winton Capital Management. This was the first time since 1986 that Great Britain had won the gold medal outright (it was shared with Russia in 1990).

The stage was set for this fine result by the scores gained by two of the team's members in the Open Solving contest held the day before the main event. John Nunn came first in this event with a perfect score, with Jonathan Mestel half a point behind in second place. The weather and atmosphere in Greece clearly appealed to our two strongest solvers.

One of the problems confronting the solvers in the WCSC is shown in the following diagram. The stipulation requires White to play and mate in 3 moves, against any defence that Black may play.

White to play and mate in 3

This problem should not be approached as if it were a game position, which it clearly isn't. The requirement to mate on White's third move demands a special kind of thinking. The key (White's first move) is **1.Nd2**, with the threat of **2.Nc4+ bxc4 3.Qb8**. Black can defend by capturing on various squares. **1...Rxd4** allows **2.g4+**, to which Black has three replies, all leading to different mates: **2...Rf4 3.c4**, **2...Nf4 3.cxd4**, and **2...Kxd5 3.Qxb5**. **1...Rxc3** leads to **2.Nf3+**, with the following replies and mates: **2...Rxf3 3.Rd3**, and **2...Nxf3 3.Rxe4**. **1...Rg3** enables White to play a non-checking continuation: **2.Qxb5**, with **3.Qb8** to follow. The same white second move, with several threats, is also playable after **1...Bxd5**. This problem, to the composer's surprise, turned out to be very difficult. Most solvers dropped points through missing one or more of White's continuations, and some contestants made no headway with it at all.

### British Chess Problem Society

This Society, open to chess enthusiasts in all countries, has been in existence since 1918. Monthly meetings are held at the Chadwick Street Recreation Centre in central London during the most of the year, and there is a Residential Weekend around Easter, usually held outside the London area. Members of the Society can attend the monthly meetings, and UK residents may also borrow books in person or by post from the extensive BCPS Library. Members receive two magazines, **The Problemist** and its Supplement, six times a year, and all this for the very reasonable sum of £18 per annum (£15 for one's first year, and half price for under-21s). Enquiries should be addressed to the Society's Assistant Hon. Treasurer, Stephen Taylor, Greenways, Cooling St., Cliffe, Rochester ME3 7UB. A specimen copy of *The Problemist* and of its Supplement, aimed principally at less experienced problem enthusiasts (both edited by **John Rice**) will be sent on request. Hon. Secretary of the BCPS is **Christopher Jones**, 11 Severn Grange, Ison Hill Road, Bristol BS10 7QA.

### British chess problem composers

British composers of chess problems continue to win awards for their work, both at home and abroad. The output of **Don Smedley** is relatively small, but his problems are characterised by rich strategy and a fine attention to detail. Here is a recent 3-mover of his which won a prize in an extremely strong composing tourney.

Don Smedley  
5th Prize, Tourney in memory of Milan Vukceвич, 2004-5

White to play and mate in 3

The key is **1.Qc4**, with the threat of **2.Rxf5+**; if then **2...exf5**, **3.Qd5**, and if **2...Bxf5 3.Qxd4**. The main point of the problem lies in the fact that these two mating moves by the WQ are played as continuations after Black's principal defences, and are then followed by new mating moves. If Black defends with **1...Rc5**, White plays **2.Qd5+ Rxd5 3.Nc4**, and **2...exd5 3.Re7**. Notice that, paradoxically, White gives check on the very square (d5) that Black has just guarded anew. The same thing happens in the second main variation: **1...Bc5 2.Qxd4+ Bxd4 3.Bd6**, and **2...Kxd4**

3.Bb2. Quite apart from these two impressive lines of play, there is plenty more in the problem. 1...Rxc4 leads to 2.f4+ R or Nxf4 3.Nxc4; 1...dxe3 allows 2.Bb2+ Bc3 3.Bxc3; 1...Rxf3 enables White to play 2.Rxf5+ Rxf5 3.Nxg4, or 2...Ke4 3.Nf6; and 1...Nf4 is followed by 2.Nxg4+ fxg4 3.gxf4. Rich thematic play in which the white and black pieces interact most appealingly.

The helpmate is a style of problem with worldwide popularity. Here Black, playing first, helps White to reach a position in which White can mate in one. With the two sides co-operating, some remarkable effects can be achieved. One of Britain's most successful composers in this field is **Christopher Jones**, who has recently gained the FIDE Master title for composition.

Helpmate in 3: 2 solutions

If direct-mate problems (e.g. White mates in 3) require special thinking, the same can surely be said of helpmates: any notions of opposition must be laid aside. To reach a mating position for White in only 3 moves here requires very precise sacrificial play. The first solution (Black's moves shown first) runs: 1.Qf5 d6 2.cxd6 Ne5 3.dxe5 Bd5; and similar sacrifices are seen in the second solution as well: 1.Qe5 2.g6 2.hxg6 Bf5+ 3.gxf5 Ng5. In both lines of play the aim is to get a black pawn on to a square where it will prevent the black King from escaping.

The next problem is of a type known as a "twin": it has two related positions, the one shown in the diagram and the second arrived at by an interchange of the Ba3 and Nf1. This too is a helpmate, in 4 moves this time.

Brian Edwards  
1st Prize, *The Problemist* 2003

Helpmate in 4  
(a) diagram  
(b) interchange Ba3 and Nf1

To get a mate out of the initial position, Black needs an extra piece, so the first move is a promotion. Then the white bishop must get to g5 in order to guard f4 and h4 simultaneously. Black must not only make a move that enables it to do so, but must also play so that the white knight can eventually mate. Black's fourth move must unpin White's mating piece, and this must be a promotion that neither gives check nor interferes with the mate: 1.c1B Bb2 2.c2 Bf6 3.Bxe3 Bg5 4.c1N Nxe3. The solution to position (b) works in much the same way, except that now the white knight guards the squares and the white bishop gives the mate: 1.c1N Nc2 2.Nxe2 Ne1 3.c2 Nxg2 4.c1B Bxe2. The appeal of the problem lies largely in the correspondence between the two lines of play.
