After this month's results we can announce the winners of the Inaugural 2020 Worldwide Champions...

**Tiger Sharks! (UK)**

They convincingly took Stage 1 defeating Financial Moscow in the last Round back in March, though in the next three Stages fell agonizingly short either in the final or penultimate Round.

Stage 5 went differently and their perseverance was rewarded as they bounced back with a convincing display against Petts Wood & Orpington which took them back into the lead with no other team able to match them!

Across all Stages they have an extremely impressive record:

Played: 39

Won: 35

Lost: 4

Triumphing over 150 teams from clubs, schools, universities and national sides across the world!

Their squad was made up of the likes of titled players Peter Roberson, Tom Rendle, Ameet Ghasi, Bao Nghia and others, captained and organized by Ben Purton.

They will receive the Grand Portofino Trophy courtesy of our sponsors North East Trophies:
