

How to send a challenge to your opponent.

1) Go to live chess.

2) Click on Play a Friend

3) In option 2 type in your opponent's username. Or they will be on your friends list below if you have added them

Option 1 - Send a link for anyone to play.

Option 2 - Choose a Chess.com member.

4) A screen will appear with your opponents username (blacked out here) , make sure the time says 60|15 if not click on it and go to more to edit it. Make sure the colour is correct. The player sending the challenge should be white.
