My experience:

1. Coach, Richmond Juniors & Chess teacher at Chess in Schools and Communities, 10 London primary schools and 1 Secondary , since 2015

2 London coordinator, Chess in Schools & Communities (responsible for 20 schools playing chess and libraries running chess clubs)

including: Organiser, London Chess Classic schools events (2014-2019) & Organiser, London Chess Conference (2015-2018), Participant 2019.

3 Player - Club player at Ealing (previously 6 years West London Chess Club) Participant, English Women's Championship & British Chess Championships

4 Manager, CSC teams, Junior 4NCL

5 ECF Level 2 Arbiter , Fide Exam passed , ECU test passed.

6 Non-chess background: Degree in Environmental Protection Engineering (2008), Other Languages (Polish, native) (German, fluent)

Reasons for standing:

I would like to represent ECF Bronze members on the ECF Council because I would like to encourage more women and girls to play chess and get involved in chess. I will ensure that more children & young people continue playing chess after school & join their local chess club

What I will do:

I will work together with other Direct Member reps to consult members before each Council meeting and report back afterwards.

I will speak up at Council so that chess club members' views are heard at the ECF Council.

With other Direct Member reps, I will put forward proposals that have the support of Bronze members.
