

## British Chess Educational Trust Awards 2022

We have made two awards as follows:

Bourne Grammar School

RGS Guildford

The citations will be posted on the ECF website.

We were surprised at the low number of applications this year. This is a valuable award and serve to encourage schools and Junior Clubs/Organisations. Council delegates may wish to check with their Union/County/League as to whether they are aware of the awards and to make the appropriate application once they are advertised in January/February on the ECF Website.

All the funds of the trust have been transferred to The Chess Trust and the BCET awards are administered by a committee on behalf of The Chess Trust.

John Wickham
