7 th	6 points
8 th	4 points
9 th	2 points
10 th	1 point

A tie between two or more players in a Grand Prix event will be split by the platform's tie-break

Points will be accumulated based on a player's highest scores in up to six events from the ten.

Ties at the end of the season will be split using countback – the tied player with the most 1st place event finishes will finish higher. If that is tied, then the tied player with the most 2nd place event finishes will finish higher. This continues for all places.

Prizes

There will be trophy prizes for the top three players in each of the Open, Senior (Over 50), Women's, and Junior (U18) categories, and for the top two players in each of the rating limited categories (U2000, U1700, U1400, U1100). Prizes will be awarded to the highest-scoring players in each category based on total cumulative points scored using the players' best six scores across all events.

The April 2025 ECF online rating lists will be used to determine eligibility for Grand Prix Sections where relevant. If a player does not have a January ECF online rating their ECF Over the Board rating, or Lichess rating will be used in that order for eligibility purposes.

Season Pass entries will go into a raffle to win other prizes, to be determined at a later date.

Depending on the number of entries received, the tournament organiser may increase the number of categories.

Eight separate leaderboards will be maintained depending on the category of the player; e.g. if the highest-placed junior player finished in 10th place, then she would score 1 point in the Blitz Grand Prix, but 25 points in the Junior Blitz Grand Prix. Leaderboards will be published using real names.

Rating

All games in ECF Blitz Grand Prix events will be submitted for ECF Online Blitz rating.

Fair Play Policy

The ECF Fair Play policy will apply to all Grand Prix events, and games will be scanned by the FIDE Screening Tool. Players who are banned either by Lichess for fair play reasons, or the ECF Fair Play Panel will be excluded from the 2025 Grand Prix and potentially other ECF events for a period as

outlined in the ECF Fair Play Policy. Results will be amended by the organiser for the event(s) in which the player was found to have used external assistance, and leaderboards updated as appropriate. Please note that players can only use one Lichess username during the 2025 Grand Prix season.
